Enrolments in 2014

If you have a child who is starting school in 2014, we would like you to come in and get an enrolment form so we can plan for them starting school. This information is very important, as we need to plan for the number of students enrolling and ensure that we have enough teachers and classrooms to cope with the enrolments. The worst thing that could happen is if we get so full we need to close our roll. All children are encouraged to have pre-school visits before their 5th birthday so they become familiar with the classroom and teachers they will be working with. Please ask for an enrolment form at the school office.

Otahuhu Santa Parade

On Saturday 7th December at 10am, the Otahuhu Santa Parade will be held in the main street of the shopping precinct in Otahuhu. Our school will have students (with parents and teachers supporting them) involved in the parade. This will be a great family occasion for you to attend and enjoy.

Science Fair

On Wednesday 11th December, parents and whanau are invited to visit our Science Fair. This Science Fair is our opportunity to share the science experiments and the process students have used to complete this. All classes will be involved in the fair and many of your children will be presenting the work over the day. The Science Fair is open to parents on the 11th from 11am until the end of the school day.

Salvation Army Christmas Appeal

During the week of 10th – 14th December, our school is supporting the Otahuhu Salvation Army Christmas food parcels programme. We will be collecting **non-perishable food items** at school to make up the parcels. Any donations of these food items would be gratefully received. Parcels will be distributed to families in the Otahuhu community.
