## STUDENT LED CONFERENCES

Thank you to all those who attended the Student Led Conferences on Tuesday & we look forward to seeing more of our parents & whanau at tomorrow's sessions. Please let us know if your circumstances have changed and you are unable to make your appointment tomorrow.

This is an important event for your children and we appreciate your participation.

**Just a reminder: School finishes at the usual time and children will not be leaving early.**

## SCHOOL PARKING

As I am sure you are all aware the roads surrounding the school become very congested around drop off/collection time. Please be considerate to other parents and local residents by keeping driveways clear and the roads safe.

We have noticed on a couple of occasions there have been parking wardens around the school. We have no control over their presence and around tickets being issued so please abide by the NZ road code, around parking rules, in order to avoid penalties.

## COMMUNITY NOTICES

**HELP BREATHE LIFE INTO OTAHUHU'S NEW LIBRARY** Help to create a new work of art made with thousands of hand-blown glass bubbles. These will float in the interior of the new library being built for the Otahuhu Recreation Precinct. Expert glass blowers and staff will be on hand to ensure a smooth and safe experience. Closed shoes are essential. **Everyone aged eight and over is welcome.** Please contact the Otahuhu Business Association to reserve a space, and to make sure you don't miss this unique experience! ## HEALTH CURRICULUM

As part of the schools Health and Physical Education, parents & whanau will be invited to join us on 11th June at 3:00pm to find out more around what our students will be taught as part of the curriculum and to give us feedback around the topic.

In Health and Physical Education, the focus is on the well-being of the students themselves, of other people, and of society through learning in health-related and movement contexts. Term 3, in particular, will be focusing on 'Keeping Ourselves Safe'.

The KOS programme is a joint initiative between the NZ Police and the Ministry of Education.

This learning area makes a significant contribution to the well-being of students beyond the classroom, particularly when it is supported by school policies and procedures and by the actions of all people in the school community so we strongly encourage you to get involved.

Regards

*Frances Nelson*

Principal
