Last Thursday seventy of our year 5 & 6 students visited the Auckland Maritime Museum. The trip was directly related to the current Inquiry topic of Physical World and students took part in various floating & sinking experiments. A big thanks to the teachers, parents and museum staff who made the visit both very educational and enjoyable for our students.

ENDEAVOUR SCHOLARSHIP FOR KING'S SCHOOL

Just a note to let you know King's School are now seeking application for 2017 for four places to the Endeavour Scholarship and one place for the Buchanan Charitable Foundation Scholarship.

NOTICES

PARKING WARDENS AROUND OUR SCHOOL Auckland Transport have recently been visiting schools in the area to check on the safety of our students around the school gates. We have had several parents who have been issued tickets during drop off/pick up. We would like to remind parents that this is completely out of our hands and if you would like to query your ticket you will need to contact Auckland Transport directly on 09 355 3553 or Auckland Council on 3010101 extension 1. We appreciate it can be frustrating but the school is unable to assist in this matter.

KING'S SCHOOL Continued....

The Endeavour Scholarship is for Maori & Pasifika boys and the Buchanan Charitable Foundation Scholarship is for one boy of any ethnicity. For further details go to www.kings.school.nz or call Kirsty on 520 7774. Applications close on 9 August.
