CROSSING THE ROAD— MESSAGE FROM POLICE

It is the middle of winter now and it is rainy and cloudy and car driver visibility is often impaired. If you are crossing the roads you need to use the lights, pedestrian crossing, road patrol, or cross with an adult. You must STOP, LOOK, LISTEN, then cross the road only if there are no cars coming and it is safe. Remember it is a brisk walk, you do not run across the road in case you trip and fall over.
