WINTER IS COMING!

As we start to see some colder/wet weather, please consider putting a change of clothes/additional layers in your child's school bag should they need them during the day.

COMMUNITY NOTICES

PLEASE DRIVE SAFELY with the recent wet weather we have noticed more cars around school during drop off/pick up. Quite often in the rain children are tempted to run across the road so as drivers we need to be more aware of our little people! Thank you for helping us keep our students safe.

CELEBRATING CULTURE

In terms 1 & 2 we have been learning about all the different cultures at our school and while we are different, we still work together and show respect to one another.

At the end of term 2, in week 10 (3-6 July), we will be having an Art Gallery in the hall where we will be displaying cultural art which has been made by the children at Fairburn School.

To help us understand how traditional cultural art is made and why it is an important part of our lives, we would like to have some help from parents, grandparents and other family members.

We would like to invite you to come to the classrooms on any day during week 4 (22-26 May), and bring some cultural art that is important to your family. It could be some weaving, carving, painting, jewellery, batik, sewing or anything else that is special to your culture.

We would really appreciate you being able to make time to do this, as we would like to show our Taonga or treasured cultural art to the class and talk about what it means. We need your help to explain how it was made and what makes it special for your family both now and in the past.
