## OTAHUHU MUSIC FESTIVAL

Many of our students will be proudly taking part in the Otahuhu Music Festival on Wednesday 4th July at 7:00pm. There are a number of rehearsals for the children during school time and if you child is involved a permission slip should have come home already.

Tickets for the festival will be available from school and it will be a great evening! Don't miss out!

## HAPPY MATARIKI

We had a fantastic week of Matariki learning and celebrations last week—thank you to all the parents & whanau who were involved.

The children were lucky enough to work with Melissa Cole, an installation artist from the local area on an art project crocheting stars.

Thanks you for your time & creativity Melissa. The children loved learning a new craft and the end result was fantastic!

## STARDOME TRIP

Last week our youngest students went off on a big adventure to the Stardome Planetarium.

Thank you to our parent helpers who made this trip possible—the children thoroughly enjoyed themselves and it was a educational trip for all.

## READING TOGETHER

Yesterday was our final Reading Together session for this term. All the parents who took part gave positive feedback and noticed improvements in their child's reading. They would highly recommend the programme to other families.

We will let you know when the next Reading Together programme is starting—watch this space!

Regards
