GETTING TO KNOW YOUR TEACHER

By now your child will be nice and settled with their teacher for 2020 but just in case you have not had the chance to introduce yourself you will find a brief profile of your classroom teacher with this newsletter. Over the next few weeks your child's classroom teacher will make contact with you and your whanau.

FRUIT IN SCHOOL UPDATE

Our students are really enjoying the quality fruit made available each day.

If there are any leftovers, on

Fridays we will box up the fruit for whanau to help themselves to.

BIKES AT SCHOOL

Just a reminder, only Year 5 and 6 students are permitted to ride their bicycles to and from school. The bicycles must be stored in the bicycle rack behind the swimming pool. They must NOT be ridden in the school grounds. All bicycles are brought to school at the owner's risk. Students who ride bicycles to school must wear a New Zealand standard compliant cycle helmet at all times (maintained to the required standards). The helmet must be adjusted correctly and securely fastened. Parents, caregivers and students are responsible for maintaining the bike in accordance with the current NZ bike code. We do not allow students to ride scooters to school—only bicycles. Thank you for your support in this matter.
