75 YEARS OF FAIRBURN SCHOOL!

This year we are celebrating 75 years since Fairburn School originally opened. The children are enjoying learning all about the history of the school and the 'way things used to be'.

COVID UPDATE

We continue to follow all public health guidelines at school and it is really great to see how children and staff have adapted to mask wearing and teachers have been utilising the outdoors during lessons.

For those families who have been isolated at home, thank you for supporting your child through home learning. We appreciate what a huge undertaking it is to juggle children, your own work, and any illness within your home. Please continue to inform the school if your child is positive for COVID-19. We will need to know their name and room number, and the date they had the test. Please continue to send your children to school while they are healthy and symptom free. However, if they do develop symptoms, they need to stay at home.

A reminder that if your child needs to isolate and they are well, they should log onto their Seesaw class site otherwise you can request paper resources.

SEESAW

This year we are using Seesaw as our chosen platform to share your child's work with you.

Seesaw is a simple way for teachers and students to record and share the learning that is happening in the classroom. Seesaw gives students a place to document their learning, be creative and learn how to use technology. Each student will add items to it, like photos, videos, drawings, or notes and the parent app is FREE to download. Your child should have their login details in their homework book but please let us know if you have any questions regarding how to use Seesaw.

VISION TESTING

The vision team from the University of Auckland will be coming into school on the 23rd March for the day, assessing all New Entrants and students that were absent last year and were not tested. Please contact the office if you would like more information.

LUNCH ROOM OPEN

The lunch room is now available for orders but please be understanding if the menu changes slightly due to shortages of certain products. Thank you.
