END OF TERM 2

It's hard to believe we are half way through the school year - time flies when you are having fun.

We have had a busy term packed full of great learning, school trips, sports competitions, principal awards and what a great way to finish off the term with a book week!

ROOM UPGRADES & RELOCATIONS

We are excited to let you know that rooms 27-33 are undergoing an upgrade over the next term. The rooms will have fresh walls and paint and be in tip top condition before we know it. In the meantime, children who are usually in those classrooms have been relocated. Room 30 are now located in Room 11 and Room 31 are in Room 14.

HEALTH CURRICULUM SURVEY

On Thursday last week we emailed out a link to complete a Health Curriculum Survey. This is an opportunity for you to have your say and let us know what you are happy with in Fairburn's health curriculum and suggest other areas that are important to you.

A big THANK YOU to those who have already completed it. Please complete this if you have a spare minute as your opinion is important to us.

MATARIKI CELEBRATIONS PRINCIPAL AWARDS

Matariki falls during the school holidays but we do not want to miss out on the celebrations! Our teachers have been busily preparing a week of celebrations for week 2 of term 3 (24th-28th July).

These celebrations will only be a success if we have the support and help of our school community. Over the next week please look out for an email actively looking for volunteers. There will be lots of smaller jobs to put you hand up for so please don't be shy! We thank you for your help in advance.

MEASLES REMINDER

Children and young people should have two MMR vaccinations to avoid disruption to their education should there be a measles outbreak. Vaccination records are in the Wellchild/Plunket book or ask your doctor for a copy. If we have a case of measles at school, Public Health will work with us to decide who will need to stay home because they are not immune. Link to information and resources: <https://www.arphs.health.nz/public-health-topics/disease-and-illness/measles/> Please note: You may be contacted by our school office for a copy of your child's immunisation records if we do not have one on file.

Congratulations to the following children:
