## Keeping Ourselves Safe Parent Meeting

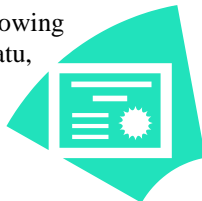

Thank you to the parents and whanau who joined us last week for the **Keeping Ourselves Safe** parent meeting. We will be teaching this unit of work from 20 June until the end of Term 2. This programme is taught in all NZ schools every second year as part of the NZ Health Curriculum. The programme has been designed jointly by educators and the police and covers a wide range of topics including a section on sexual and physical abuse. There will be homework tasks for families to do together during the unit of work. This ensures that parents are aware of the things that children are learning.

## Inquiry Learning Sharing Day

On 15 June, parents are invited to join us in our classrooms to see the work that students have done during the Space Topic they have been studying this term. This will start around 11am and we hope that you will stay and have lunch with the children .

## Winter Sickness

At the moment we have a lot of children (and staff) suffering from colds and flu. It is important that if your child has flu that they don't come to school if they are unwell. If your child is sick, please ring the school and leave a message to ensure we can tell teachers why children are absent. If you are unable to do this, a note should be sent to let us know why children were absent.

## Duffy Caught Being A Good Mum Award

Congratulations Susiana Faleuite who was nominated for this award by her daughter Serena in Room 31. Susiana won a copy of the book "It Must Be New Zealand" by Fay Cooney. We hope she enjoys this lovely book.
